

SUBJECT: Invitation to Pre-Application Workshop

The Centers for Disease Control and Prevention (CDC) South Africa will hold a pre-application workshop to its latest Funding Opportunity Announcements (FOAs) which have been published on www.grants.gov namely;

1. **CDC-RFA-GH13-1335**, “Strengthen capacity of the South African Government's Department of Health to provide quality and sustainable care for HIV-infected patients with complicated HIV treatment needs, including alternative or salvage antiretroviral therapy”
2. **CDC-RFA-GH13-1336**, “Comprehensive HIV & TB Prevention, Care and Treatment Services, and Systems Strengthening in facilities of South Africa's Department of Correctional Services under the President's Emergency Plan for AIDS Relief (PEPFAR)”
3. **CDC-RFA-GH13-1339**, “Strengthening the evidence base and capacity for implementing HIV prevention, care and treatment programs in the Republic of South Africa under the United States Presidents Emergency Plan for AIDS Relief (PEPFAR)”

Application Deadline Date: April 15, 2013, 11:59pm EST

The purpose of the pre-application workshop is to ensure an understanding of the FAO's technical objectives and to review the application process. The workshop agenda will include a short presentation of the FOA, and a question/answer session based on participants' review of the FOA.

Who must attend pre-application workshop?

All interested potential applicants are welcome to attend. Attendees must register. Applicants interested in attending the pre-application workshop should contact **FOA Team**, FOA2013@sa.cdc.gov regarding registration details.
